

## Data Ireland B2B Master file

**Postal & Telephone 85,000**

**Generic Email Addresses 40,000**

### Description/Profile

Data Ireland is a quality provider of business data and information management services.

With over 85,000 records, the beauty of this list is the variety of breakdowns available, especially executive contacts within a company.

The data is maintained to the highest standard with regular cleansing and updates ensuring that you are provided with accurate information you can rely on.

The data includes:

- Serial Number
- Executive Contact
- Company Name
- Address, Phone and Fax number
- Number of Employees
- Industry Code
- Company Description
- Area & Postcode

The file contains up to date mailing data and telephone numbers and generic email addresses.
