

Ecible (Target Europe)

Pan European B2B Email Database

Personal Email Contacts **3,500,000**

Description/Profile

“Ecible”, also known as “Target Europe”, is a pan-European, compiled and tele-verified database, offering comprehensive coverage of over 3.5 million contact e-mails across 1.3 million companies throughout Europe.

All contacts on the file have a personal email address with coverage across 14 countries (see counts below). With many selections available, including NACE code, job function and company size, this database is suitable for mass email campaigns and niche targeted campaigns alike.

In addition to emails, this file also has around 80% postal, and 50% telephone coverage, so can be utilised for multi-channel campaigns.
