Description/Profile

Handling & Storage Solutions is the materials handling and logistics sector's most comprehensive magazine, covering the spectrum of products and services designed to boost productivity and profitability. For busy specifiers, it is an invaluable source of knowledge and industry information.

Every issue includes eight product sections covering the latest market developments in the fields of:

- Lift Trucks & Ancillaries
- Lifting & Moving
- Storing & Containers
- Conveying
- Distribution
- IT
- Facilities Management
- Health & Safety

This magazine is audited by the ABC (Audit Bureau of Circulations) and the publisher also uses both in-house and other specialist teams to clean and verify reader data on a daily basis. This title offers a 100% requested circulation guaranteeing that any data you rent from this source will be of the highest quality.
