

Senior Decision Makers within UK Charities
Postal, Telephone and Email Contacts - File size: 32.000

Description/Profile

Researched and published by AURELIAN - charity information specialists since 1992

The most comprehensive and up-to-date listing of the UK's leading Charities. The database gives unrivalled access to the actual decision makers within Head Offices.

The National Charities Database is researched fully and used by charity specialists on an ongoing basis. The list holds volunteered information provided by national charities and voluntary organisations themselves.

All charities have been given the opportunity to opt out of third party marketing at time of capture.
