Description /Profile

Care Quality Matters and *Home Care Management Today* keep Registered Managers and owners of care homes and home care businesses up to date with changing legislation and Care Quality Commission regulations.

Care Quality Matters helps Registered Managers and owners of home care and care home services to provide the highest quality care and to pass their CQC inspections with flying colours, using the Plan, Do, Check, Act cycle. *Home Care Management Today* also supports readers to provide the highest quality care for people in their own homes, but also helps readers to be better managers and leaders, to help them make their business more efficient and more profitable.

Both titles provide very practical, hands-on advice which readers can implement immediately. Readers will receive 12 monthly issues plus 6 Special Issues per year, giving in-depth analysis of key topics, priced at £200 per year.

This is a 'must have' resource for all senior care professionals, enabling them to do their jobs better by providing the highest quality care.
