

20,000 Organisations
130,000 Named Individuals

Description/Profile

Corporate Contacts is a highly refined data resource. It has been designed for professional service providers who need to target senior professionals and decision makers within the UK's leading corporate organisations.

The Corporate Contacts database comprises 20,000 records of the UK's largest organisations including all of the FTSE 350 and the top 1,000 companies through to medium sized privately owned businesses.

The database contains 130,000 named contacts, which have been determined following meticulous research into the primary and most senior contacts. The named contacts are professionals with company details predominantly being Senior Managers, Heads of and Directors of the following responsibilities

IT, Finance, HR and Personnel, Training, Sales, Marketing Facilities, Purchasing / Procurement

Additional contacts include operations, office and administration, production and engineering, health & safety, personal assistants and secretaries.

Database Quality

Each contact is verified at least once every 12 weeks, with one third of the data researched monthly. New contacts are added to the file daily.

Database Benefits

The Corporate Contacts database contains contacts that are not found on other lists. In addition it enables you to:

- Accurately target the right people
- Improve your return on investment through highly targeted marketing campaigns, which yields a greater response rate.
- Develop an on-going revenue stream with our constantly updated and expanding lists. New people, new positions
