IMG Automotive Workshops Database

Description/Profile

The IMG Automotive Workshops database is the most comprehensive file of its kind on the market. It is compiled from public sector listings and directories and has been broken down into all of the different vehicle MOT categories (motorcycle, passenger vehicles and trucks & buses).

We are able to identify the category of vehicles they service or MOT class. All of the data has mailing addresses, 99% have phone numbers and 65% have a fax number.

Selections available

Job title
Category
Authorised Examiner No

Data Quality

All the data is fully DPA and PECR compliant.

The data is refreshed on a regular basis and is cleansed prior to output against standard suppression files for goneaways, deceased and unsubscribes.
